PRELIMINARY STATEMENT

1. Discovery, and Plaintiffs' inquiry into and development of all facts relating to this case, are both on-going. Therefore, the responses by plaintiffs to the requests are based only upon knowledge and information presently available to plaintiffs. Plaintiffs reserve the right to revise, alter, amend or supplement their responses to the requests if and when additional facts, knowledge and/or information become known to plaintiffs.

2. Any response by plaintiffs to the requests shall not be deemed a waiver of any objection plaintiffs may wish to interpose at any proceeding, hearing, or trial with respect to the

Each response is without prejudice to, or waiver of, any objection plaintiffs may make to any future use of such response. Further, plaintiffs make the objections and give the answers herein without in any way implying that they consider the requests and responses to be relevant or material to this case.

3. The exact wording of any objections or responses by the plaintiffs may be that of plaintiffs' counsel and do not necessarily purport to be that of the plaintiffs.

Plaintiffs object to the Definitions and Instructions contained in the requests to the extent they purport to impose requirements beyond the requirements of the Federal Rules of Civil Procedure and the Local Rules of this Court.
